

Community Resource Roundtable

Wednesday, April 12, 8:30am -12:00 noon
Doors open @ 8:15am

Firm Foundations Ministries, 651 E Main, Centreville

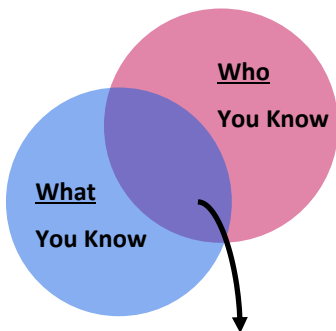

Building Resource Connections

No one organization can “do it all.” We need each other to fill gaps and best serve our clients.

This Roundtable provides a connection point for organizations and individual staff members who may be new to serving St. Joseph County as well as a time and place for those who have been serving for years to reconnect and receive updates as to what is happening in other organizations.

Agencies that sign up to present will be given a 4 minute slot to present a brief “elevator pitch” of what their agency does (no PowerPoints or AV). We’ll take breaks every so often to connect with those around us and collect flyers & information from resource tables.

Expect to connect with around 40 organizations.

Opportunity

This event is free and open to frontline workers interested in learning of local services or sharing information about a service that they provide. It is not necessary to make a presentation to attend.

Calling all... ST JOSEPH COUNTY

Human Service Agencies
Faith Based Organizations
Educational &
Vocational Programs
Cultural Organizations
Recreation Programs
Health Care Agencies
Support Groups
Libraries
Service/Civic Clubs
Coalitions
